# Even better news!

- Subcommittee meetings are going away.
  - These meetings had become status update sessions.
- They will be replaced by weekly working sessions.
- These meetings <u>will not</u> count towards voting rights, but will be reserved for continuing the valuable discussions like those we've had during the face-to-face (F2F).
- They will be from 11-12PM ET.
  - Depending on daylight savings, they will start at 3PM or 4PM GMT and last until we reach the next major version of STIX / TAXII / CybOX.
- Our first meeting will start at 1453219200000.

# Let’s slap this squid on the belly and make some ink!

- Full CTI meetings will happen once a month, every month. These are the dates we’re targeting:
  1. Thursday, January 28, 2016
  2. Thursday, February 18, 2016
  3. Thursday, March 17, 2016
  4. Thursday, April 21, 2016
  5. Thursday, May 19, 2016
  6. Thursday, June 16, 2016
- **These meetings count towards voting rights – attend at least one out of every two to keep voting rights, or two in a row to gain them.**

# Becoming friendly with the world

- We hope that our new 11AM meeting times will help us increase EMEA participation.
- Our gracious chair has offered to hold, on the same day as our full CTI meeting, a dedicated meeting for members of the TC who live on the other side of the world.
- Official times are to be determined (TBD) but we will target something that enables APAC countries to participate.
