<http://lists.oasis-open.org/archives/sca-policy/200809/msg00022.html>

Start with Ashok's email

Ashok outlines his concerns, which center on the capability to use WS-Policy declarations directly.

<discussion of the concerns>

Mike E: I take the view that what you require can be achieved with this proposal by simply using a Policy Set which uses wsp:PolicyReference elements plus a simple attachTo statement.

Discussion of the potential to simplify this proposal by using attachTo in PolicySets only and removing the separate <policyAttachment/> element.
