

***Invitation To
12th ebXML Asia Committee Seoul Meeting***

You are cordially invited to attend the 12th ebXML Asia Committee Meeting on 25th - 29th October 2004 at COEX, SEOUL. The meeting is hosted by KIEC(Korea Institute for Electronic Commerce).

The goal of the ebXML Asia Committee is to promote ebXML implementation for facilitating e-business in Asian Region, in order to enable a global electronic marketplace where enterprises of any size and in any geographical location can meet and conduct business with each other through the exchange of XML based messages.

The Missions of the ebXML Asia Committee are:

- a. To contribute to the organizations (UN/CEFACT and OASIS) for the ebXML standardization so that the commercial rules/cultures and the languages of Asian region can be reflected on the ebXML specifications;
- b. To establish the bridgehead for promoting ebXML implementation in Asia; and
- c. To represent the Asian region for development/maintenance of ebXML specifications in accordance with the ebXML management procedures.

To realize these, the participation of all the members is the most critical.

This meeting aims to invite all the ebXML Asia Committee members to investigate the current situation and future prospects of ebXML Asia Committee. Furthermore, this meeting is a forum to exchange experience in standard adoption and to enable the task group co-operation in related topic such as, interoperability and core component.

We hope that the 12th ebXML Asia Committee meeting in SEOUL will be monumental with your participation and contribution.

We look forward to your participation and contribution for the 12th ebXML Asia Committee in SEOUL.

Sincerely,

Jong hee Kim
President
Korea Institute for Electronic Commerce
