71 OASIS invites any party to contact the OASIS TC Administrator if it is aware of a claim of ownership of any

79 that it has made any effort to identify any such rights. Information on OASIS' procedures with respect to
80 rights in any document or deliverable produced by an OASIS Technical Committee can be found on the
81 OASIS website. Copies of claims of rights made available for publication and any assurances of licenses
82 to be made available, or the result of an attempt made to obtain a general license or permission for the
83 use of such proprietary rights by implementers or users of this OASIS Committee Specification or OASIS
84 Standard, can be obtained from the OASIS TC Administrator. OASIS makes no representation that any
85 information or list of intellectual property rights will at any time be complete, or that any claims in such list
86 are, in fact, Essential Claims.
