HOW TO PURCHASE A DAILY VISITOR PARKING PASS

All attendees for the OASIS CTI TC meeting are responsible for purchasing their own Daily Visitor Parking pass(es) for each day they are on the University of South Florida campus. The permit must be purchased and properly displayed in your vehicle in order to park on the USF campus without receiving a citation. There are three options for purchasing your parking permit:

1. ORDER PARKING PASS(ES) ONLINE VIA THE USF PARKING & TRANSPORTATION WEBSITE (RECOMMENDED)
<http://www.usf.edu/administrative-services/parking/permits/visitor-daily-permits.aspx>
 - Visit the website via the link above
 - Click the first option on the webpage titled 'New Daily Visitor Online Permit'
 - Enter as 'Guest' and follow the instructions to complete the order
 - You will be able to print out your parking pass(es) which you will then need to display on your dashboard once parked on campus
 - Only credit card payment accepted!
2. PURCHASE PARKING PASS(ES) ON CAMPUS AT THE CAMPUS INFORMATION CENTER (CIC) THE MORNING OF THE MEETING
 - Enter the USF campus via Leroy Collins Blvd (main entrance) from Fowler Avenue.
 - Immediately on your right you will see the CIC (noted in red on the map)
 - You can purchase the permit by going through the drive-thru OR you can go inside the building, depending on your preference and the time you arrive. The agent on duty will have a record of the OASIS CTI TC Meeting and where it is taking place.
 - Only credit card payment accepted!
 - Once the parking pass(es) has been purchased, display it on your dashboard so it is easily visible and continue on to the designated parking lots listed below.
3. SPECIAL OPTION FOR PARKING IN LOTS 22D AND 22E (PARKING OPTION #2 ON MAP)
 - These two lots are considered 'Daily Parking' lots and have parking payment kiosks available in the lot, meaning you do not have to order the parking pass ahead of time or stop at CIC to purchase your pass(es), instead, just pay at one of the kiosks located near the aisle entrances in each lot.
 - Only credit card payment accepted!

If for some reason there are no parking spaces available in Parking Lot Options #1 or #2, the lots highlighted in purple on the map are 'Daily Visitor Lots', meaning you can park there as long as you purchase a parking pass at the kiosks located in these lots.
