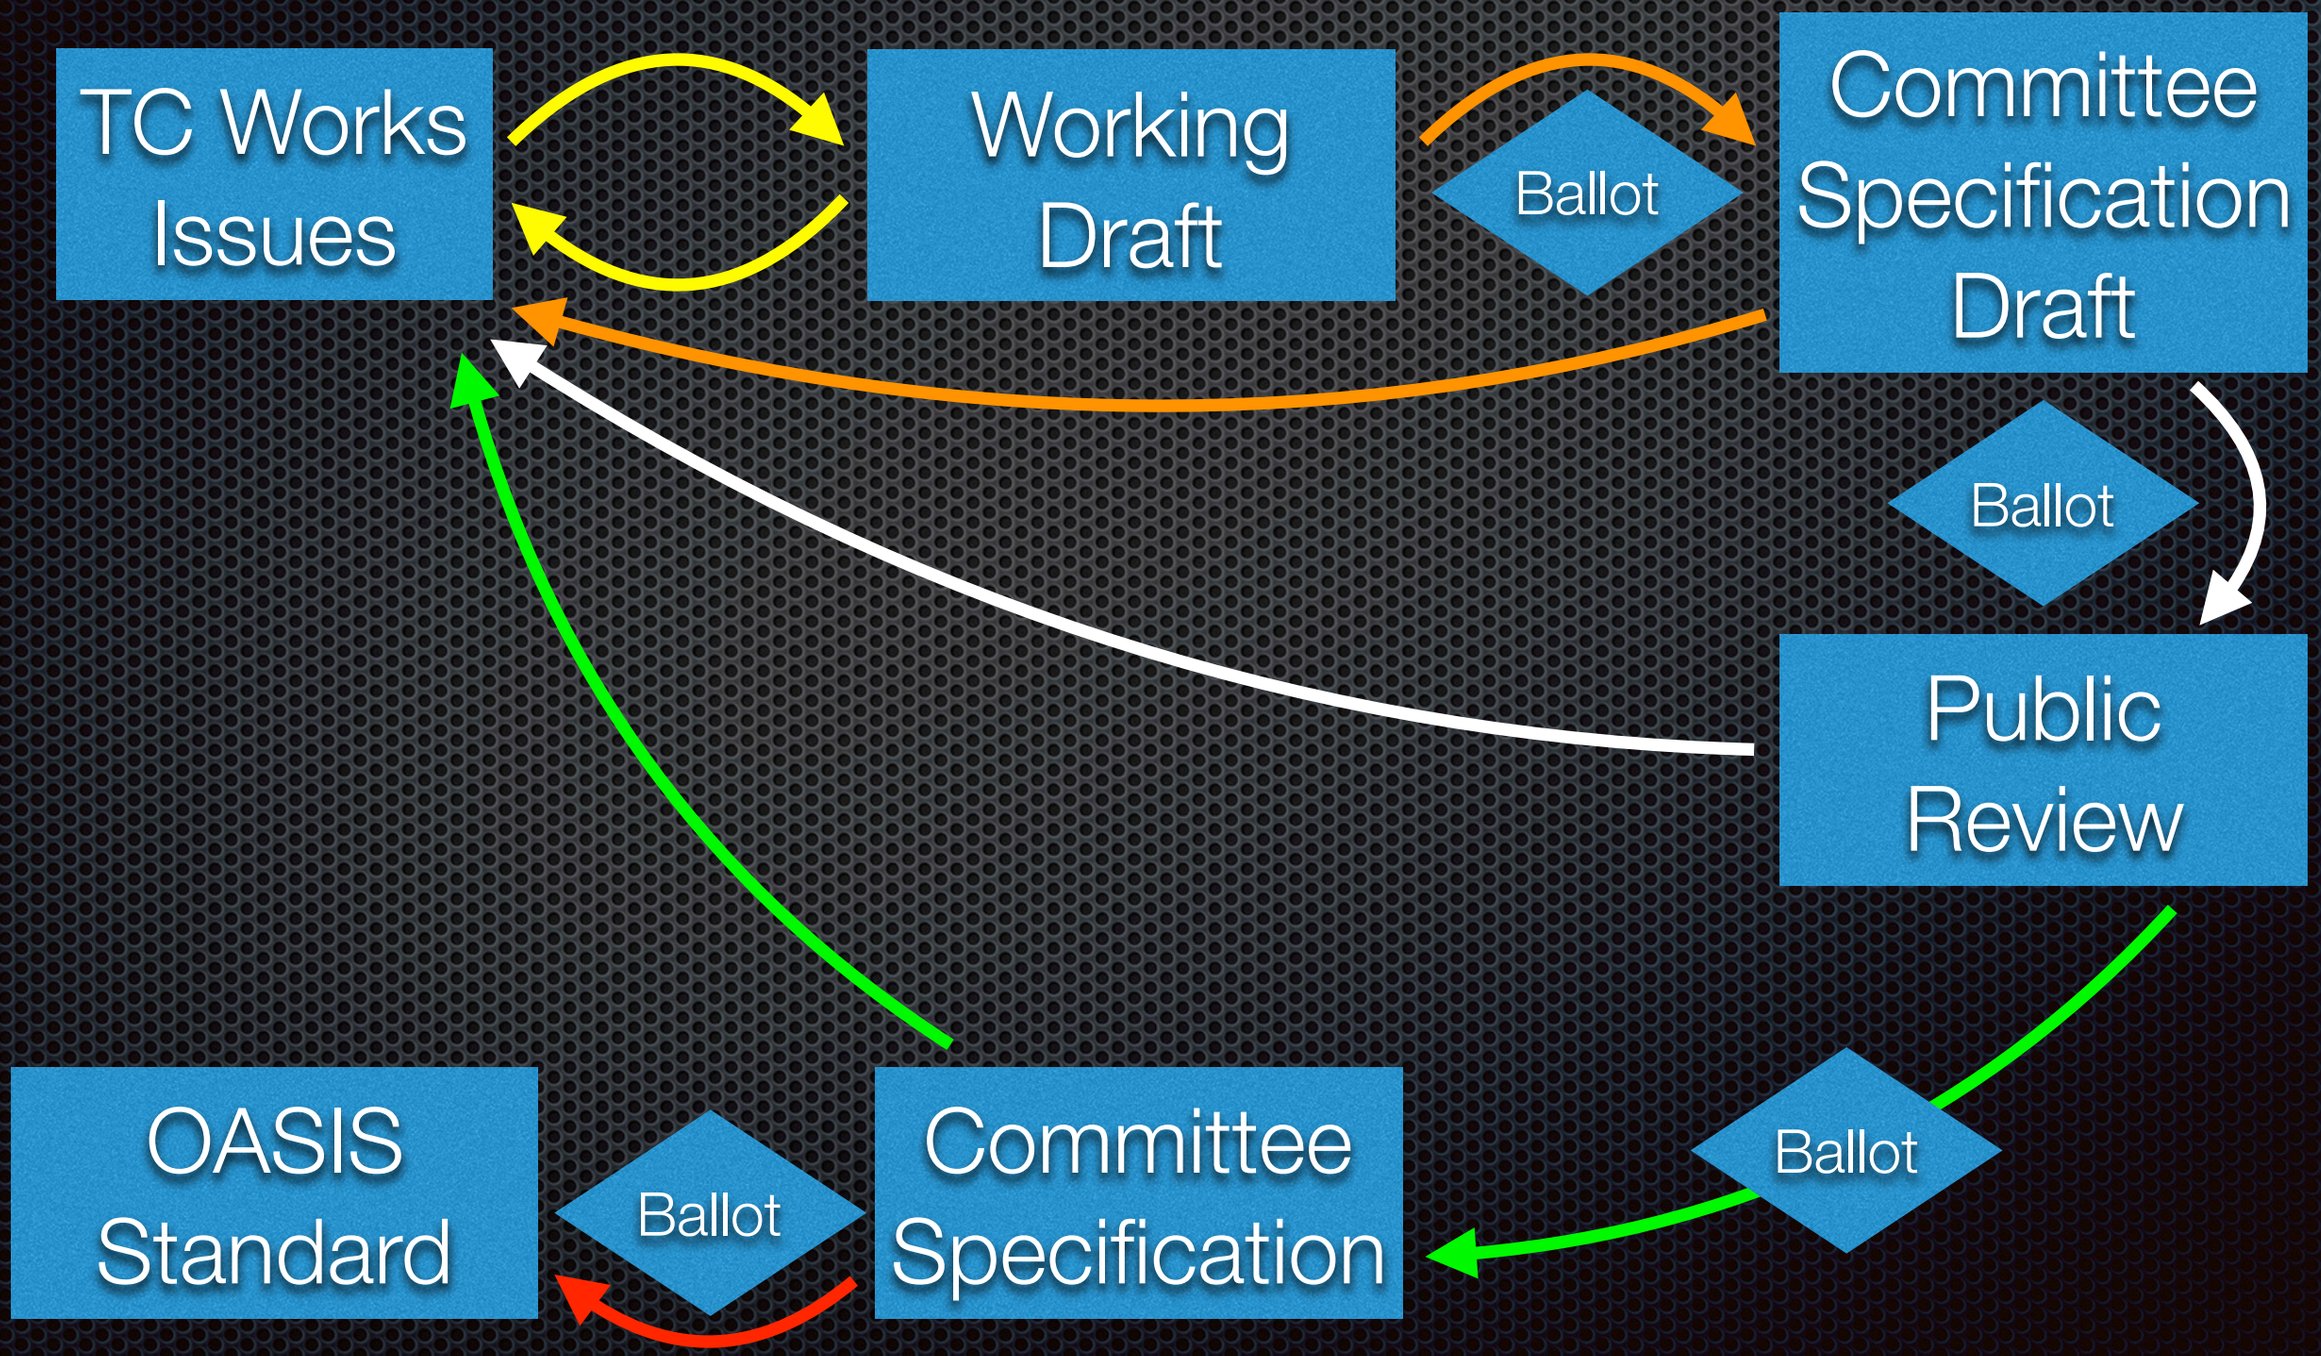
OASIS Release Process



Changes to Patterning

- Some of the changes we have been discussing may impact Patterning or cause changes to Patterning
- Potential issues have been raised
- We really need some time to focus on this, but it would be nice if we could get CSD02 out soon.
- Proposal
  - We push items 34-38 into CSD03
  - This will give us time post CSD02 to focus specifically on Patterning changes

Language Content Changes

Infrastructure

COA

Action Items

- Review sections under TC-Wide Final Review
- Initial review of COA and Infrastructure
- Need to start processing the GitHub Issue backlog
