

ebXML Messaging Face-to-Face November 2001 Joining Instructions for Commerce One, Pleasanton

The ebXML Messaging on 13-15 November 2001 Face-to-Face meeting will take place on the east coast of the USA, hosted by Sun Microsystems and on the west coast USA hosted by Commerce One in Pleasanton.

These instructions apply to attendees who plan to attend the West Coast at Commerce One.

Location

The meeting will be held in Room Building 1, Room 212 (Kona Coast) at Commerce One's headquarters at:

CarrAmerica Corporate Center
Buildings #1 & #4
4440 Rosewood Drive
Pleasanton, CA 94588

Note that the meeting is in Building 1. This is the most Northern Building on the Campus.

Pleasanton is about 40 miles South East of San Francisco in the "East Bay". The nearest airports are (closest first): Oakland, San Jose and San Francisco International.

Directions to Commerce One Offices are available at:

Hotel details are provided below.

Confirmation of Attendance

For security reasons please confirm your attendance by sending an email to Shirley Pennywell, [Mailto:Shirley.Pennywell@commerceone.com](mailto:Shirley.Pennywell@commerceone.com) stating the days you plan to attend.

Meeting Details

The meeting will start at 11 am EST/8 am PST until 6 pm EST/3 pm PST each day. Videoconference facilities will be provided the first two days, and voice only the third day.

Refreshments will be provided each day, and lunch will be available from the on-site restaurant at a modest charge.

On the Day

Check in with security and ask for Shirley Pennywell (x 04887) who will escort you to the meeting room. If there are problems phone David Burdett (x 04422 or cell: +1 (925) 216 7704).

Hotel Accommodation

The following is a list of hotels where special accommodation rates have been negotiated. Mention Commerce One when booking to get these rates.

Although none of the hotels is far away from Commerce One offices, none are within walking distance. The Four Points hotel is close though and recommended as a pleasant hotel in which to stay.
