Forum
e|Government
joint event

8th Eastern European e|Gov Days:
Changing Concepts & eGovernment as a Service
April (21) -22 – 23, 2010, Prague, Czech Republic

Jointly organised by:
Forum e|Government / OCG-Austrian Computer Society, Vienna (AT) and EPMA/Vysocina Region (CZ) with partners

The annual Eastern European e|Gov Days has become a recognised platform for dialogue and knowledge transfer between Western and Eastern European countries. This event brings together over 200 professionals from the private and public sector in a lively exchange of experience and ideas and real life examples.

General schedule

April 21 - Independent workshops (Pre-Commercial Procurement, CROSSROAD, etc),
April 22 - Conference Opening, **plenary panels, parallel thematic sessions,**
April 23 - Plenary panel and parallel thematic sessions

Main topics of the conference - Call for Papers

A select number of academic papers will be presented at the conference. We are looking for innovative papers on New aspects of Government Transformation and eService provision (Organisational, legal, technological, human, political, etc). Topics suggested:

I. Everyday eGovernment: localized and geo-determined public services
II. New topics/aspects of eGovernment:
  a. The elephant in the room: mGovernment
  b. Green eGovernment
  c. EU eGovernment Action Plan for 2015
III. Policy modelling and New policy models
IV. Technologies and conditions for better eGovernance (Key enables)
V. Marketing & Direct Democracy: Challenges to service the citizen
  a. Servicing the citizen: a marketing approach?
  b. Direct Democracy: reinventing marketing or specific approach?
  c. Direct Democracy, political representation, commitment
VI. eDemocracy & eParticipation, Social networking : contacting the citizen *(a tool or an objective?).* Socio-economic benefits of participatory Governance
VII. Government as Open Source & eGovernment as a Service. Is eGovernment working? Is it engaging, high impact and value-for-money?
VIII. Evaluation, measurement and public values & eGovernment
IX. eProcurement & Pre-Commercial Procurement & bringing innovation in eGovernment
X. eJustice & Trust, Privacy and Security aspects
XI. eDemocracy & eEnvironment : Reality and Challenges for eEnvironment implementation in Europe
XII. Free Access to Public Sector Information & re-use of PSI
XIII. Reality and Challenges for regional eGovernment

We expect inputs of experts from academy, business and public administration, original and innovative contributions with a length of approx. 3000 - 4000 words, covering methodological issues as well as case studies.

Important dates!!!   **Submission of papers:**   **January 10, 2010**
                            Notification of acceptance: **February 10, 2010**
                            Camera ready copies for the Book   **March 31, 2010**

Accepted papers will be published by OCG in the printed Conference Proceedings (ISSN/ISBN identified) and in an electronic format (which will be provided to all participants on **CD ROM).**

Please, send your contribution to the Proceedings coordinator Marleen Haase, marleen.haase@donau-uni.ac.at and in a copy to Radek Bejdák, bejdak@epma.cz
