

National Strategy for Trusted Identities in Cyberspace (NSTIC) Governance Workshop

Draft Agenda

DATE: Thursday, June 9, and Friday, June 10, 2011
LOCATION: Grand Hyatt Washington, 1000 H St, NW, Washington, DC 20001

Workshop Overview

This workshop will identify and discuss various issues around the governance structure necessary to administer the process for development, adoption, implementation and management of Identity Ecosystem Framework policies and standards, as envisioned by the Strategy.

The goal of this workshop is to discuss key NSTIC governance issues pertaining to structure, stakeholder representation, steering group initiation and governance priorities. In addition, the workshop will provide an opportunity for discussion and clarification of a forthcoming Notice of Inquiry (NOI) on these topics.
