15 October 2013

In accordance with the OASIS Open TC Process section *2.17 Intellectual Property Rights Procedures*, and section *2.12 TC Rechartering,* SafeNet hereby formally re-contributes all documents and emails contributed by SafeNet's TC members to date in the OASIS KMIP Technical Committee document and email repositories under the original KMIP Technical Committee charter to the rechartered KMIP Technical Committee effective immediately.

Bill Becker
Senior Advisory Architect, CTO Office
