# OASIS Standards Showcase at RSA 2015

**20-24 April 2015**
**Moscone Convention Center**
**San Francisco, California, USA**

OASIS plans to organize a Standards Showcase on the RSA 2015 exhibit floor to provide visibility--and marketing opportunities--for OASIS members.  Any OASIS member may participate in the Standards Showcase to demonstrate a product or service that supports one or more OASIS standards.

The OASIS Standards Showcase will feature one or more Interoperability Demonstrations (Interops) in support of KMIP, PKCS #11, and/or other OASIS standards. Any member registered as a Standards Showcase Participant has the option to participate in the RSA 2015 Interop(s) provided they are able to meet the criteria as defined by the OASIS Interop Policy and Interop Participants.

Participants are encouraged to review the OASIS Interop Policy:
