KMIP Interop Demonstration RSA 2021 Participation

OASIS reserved a 20x20 pavilion space (in the South Hall) on the RSA 2021 show floor for a KMIP Interop demonstration. A maximum of eight member companies will be able to participate. The cost per pod will be \$11,750. Pod reservations begin on 9 March and will be allocated on a first come, first served basis. A minimum of seven confirmed pods is required by 30 March -- in order to secure this space for the KMIP Interop. If the minimum pods reservations are not achieved by the deadline, OASIS will work with the TC on alternative options.

Please use the form on the backside to secure your pod for 2021. By reserving a pod within the OASIS KMIP pavilion, your company:

1. Understands that your participation is pending until approval is received from the RSA show organizers;
2. Agrees to comply with all the rules and requirements as outlined in the KMIP Formal Interop process as approved by the TC, and other applicable OASIS rules;
3. Acknowledges that full payment must be received within 30 days of the signed agreement and that no refunds are available after RSA approves your participation.
