DIRECTIONS TO IAALS

IAALS is located in John Moyer Hall, at the University of Denver

2060 S. Gaylord Way, Denver, CO 80208

Please Note: Our building is somewhat difficult to find--even the mapping apps have trouble. Please use **John Moyer Hall** as the destination and if you still have trouble follow the instructions below. If you have any questions, please call our office: (303) 871-6600.

We are located on the North side of Evans Ave. west of University Blvd. You must be traveling westbound on Evans to access our street. Once you are west of University Blvd., S. Gaylord Way will be the first right turn, just before the light at the pedestrian walkway.

John Moyer Hall is the second red brick building on the left (the entrance and the name of the building sit partially behind a brick wall).

VISITOR PARKING INSTRUCTIONS

- The visitor parking garage is located directly across from our building, under the law school building
- Once you are on Gaylord Way turn right and go down the parking ramp to the underground parking lot
- There is a pay-to-park kiosk on that level. **Please use code 44293 when asked**
- Once you have parked proceed back up the ramp to our building
