Visit our website for an explanation of [application process timelines](#).

If your mark includes a design element, we will assign it one or more [design search codes](#). We will notify you of these codes within the next few weeks and you can suggest that we add or delete a design search code from your file.

4. Keep your addresses current in USPTO records. We do not extend filing deadlines if you do not receive USPTO mail or email. If your postal address or email address changes, you must update the correspondence or owner's address using the [address forms](#) on our website.

5. Check your application status in our database every three to four months. To be sure that you don't miss an important email from us, and to avoid the possible [abandonment](#) of your application, check your application status and review your documents in our database, [Trademark Status and Document Retrieval \(TSDR\)](#), every three to four months.

6. Warning about private companies offering trademark-related services. Private companies may send you communications that resemble official USPTO communications.
