# Welcome

Exquisite beauty, exceptional care—and a warm, gentle breeze from the neighboring lagoon—welcome you to the Sofitel San Francisco Bay. As the ultimate “corporate resort,” the Sofitel promises superb service and accommodations—and your complete comfort. Just minutes from the airport, and ideally positioned between San Francisco and San Jose, there’s no finer place for business or pleasure in the city by the bay.

---

## Room to relax

Our 421 guestrooms and suites offer more than just a comfortable place to rest your head. Each is spacious, with a desk area, computer dataports, high-speed Internet capabilities and soundproofing. Of course, when it's time to call it a day, a complimentary bottle of Evian awaits, as does a spacious bath and lush robe.

---

## Superb dining

Gourmet French cuisine and flawless service are yours to enjoy at our restaurants.

Just as our heritage is French, so is the luscious cuisine served at our restaurant. Gigi, our French brasserie, features regional fare that transports you to a small corner of Provence. La Terrasse Bistro is ideal for low-key business meetings or quiet contemplation.

---

# Meetings and conventions

It's never business as usual at Sofitel—our sales and catering staff sees to that. Our 20 meeting and conference rooms, including our Grand Ballroom, offer the flexibility to accommodate groups from seven to 700 people. Each provides the tools and resources you need to seamlessly conduct business—audio/visual equipment, and even Webcasting support. From start to finish, you'll find everything you need to make business a complete pleasure is right at your fingertips.

## At your service

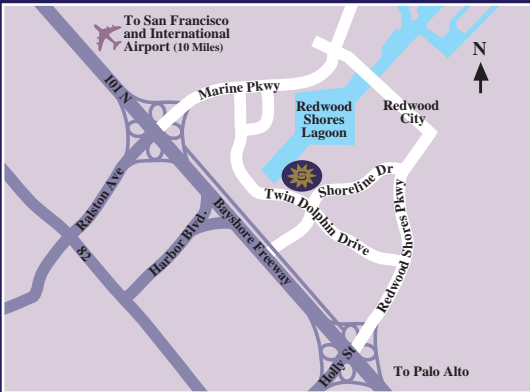

---

Our French bakery, Le Petit Marche, a delicious way to sit back, relax and unwind any time.

Sofitel is dedicated to your total comfort—and productivity. Whether for last-minute assistance for a morning meeting or simply to arrange a car to take you to a nearby winery, our staff is always at your service. And our wireless Internet connection in the lobby, restaurants, bar and poolside help you make the most of your spare time. If shopping's on your agenda, stop by our boutique, Le Petit Bijou. Simply put, Sofitel San Francisco is the ultimate "corporate resort," combining exceptional business environment and the luxury of a true vacation resort.
