OASIS TOSCA Interop at Int'l Cloud Symposium and EuroCloud

OASIS plans to organize a TOSCA Interop demonstration at the International Cloud Symposium, part of the EuroCloud Congress in Luxembourg. OASIS Interops are public demonstrations that showcase multi-vendor implementations of approved OASIS work. These are official Consortium activities, endorsed by one or more OASIS Technical Committees, and mutually supported by OASIS staff and the InterOp participants.

- **https://www.oasis-open.org/policies-guidelines/interop**

⇨ **PARTICIPATION CRITERIA**, the Participating Organization must...

- Be an OASIS member;
- Have products that support the interoperability scenario developed by the InterOp participants;
- Agree to pay the participation fee of 750 USD;
- Abide by all the rules set forth from OASIS and the Interop team, including having at least one and no more than two representatives present during all scheduled demo times.

⇨ **DEMO FORMAT**

All Interop Participants will be designated space within the TOSCA Interop area. Attendance will be open to all ICS and EuroCloud registrants during scheduled times.

⇨ **ITEMS COVERED BY THE INTEROP PARTICIPANT FEE**

- A designated workstation for each Participating Organization that includes: *a table or counter space, one chair, internet connectivity, and electricity;*
- Audio visual equipment to be used by the group during the demonstration, *which may include a screen, LCD projector, or video monitor;*
- Signage including one main banner highlighting all Participants, plus individual corporate logo signs to identify each Participant's demo area (*to assure fairness and consistency, no other signage will be allowed in the demo area);*
- One complimentary registration for the ICS and EuroCloud programs, OASIS20 reception and EuroCloud Gala dinner *(additional Participant staff may register at 75% discounted rate);*
- Recognition in all TOCSA Interop promotion, including:
    - OASIS press release *(each Interop Participant will be highlighted, with quote opportunities for Foundational and Sponsor-level members)*
    - TOSCA Interop datasheet, which will be distributed online and to all event attendees
    - Email announcements, OASIS News articles, social media outreach, etc.
- OASIS staff support to coordinate logistics and assist in planning
- Dedicated technical and marketing mailing lists for exclusive use by Interop Participants and staff
