

All the captioned hotels are close to the HKU campus as well as to the downtown area. They are 4-star hotels and take less than 15 minutes taxi ride (about HK\$20 to HK\$30) from the hotel to HKU or to downtown.

The best way to get to the following hotels from HK International Airport is to take the Airport Express Train (HK\$100 one-way or HK\$180 return) from the airport to Hong Kong Station (in Central) and then take a taxi (a 10-20 minutes ride).

Please contact the hotel sales representatives directly and fax the reservation form to the selected hotel. The sales representatives will provide the reserved name with a confirmation.
