

## Appendix A – Feedback License

The “OASIS UnitsML Technical Committee” is developing technology (the “OASIS UnitsML Specification”) as defined by its charter and welcomes input, suggestions and other feedback (“Feedback”) on the OASIS UnitsML Specification. By the act of submitting, you (on behalf of yourself if you are an individual, and your organization and its Affiliates if you are providing Feedback on behalf of that organization) agree to the following terms (all capitalized terms are defined in the OASIS Intellectual Property Rights (“IPR”) Policy, see <http://www.oasis-open.org/who/intellectualproperty.php>):

1. Copyright – You (and your represented organization and its Affiliates) grant to OASIS a perpetual, irrevocable, non-exclusive, royalty-free, worldwide copyright license, with the right to directly and indirectly sublicense, to copy, publish, and distribute the Feedback in any way, and to prepare derivative works that are based on or incorporate all or part of the Feedback, solely for the purpose of developing and promoting the OASIS Committee Specification or OASIS Standard and enabling the implementation of the same by Licensees.
2. Essential Claims – You covenant to grant a patent license under any patent claims that you (or your represented organization or its Affiliates) own or control that become Essential Claims because of the incorporation of such Feedback into the OASIS Committee Specification or OASIS Standard, on terms consistent with Section 10 of the OASIS IPR Policy for the IPR Mode specified in the charter of this OASIS Technical Committee.
3. Right to Provide - You warrant to the best of your knowledge that you have rights to provide this Feedback, and if you are providing Feedback on behalf of an organization, you warrant that you have the rights to provide Feedback on behalf of your organization and to bind your organization and its Affiliates to the licensing obligations provided above.
4. Confidentiality – You further warrant that no information in this Feedback is confidential, and that OASIS may freely disclose any information in the Feedback.
5. No requirement to Use - You also acknowledge that OASIS is not required to incorporate your Feedback into any version of this OASIS Committee Specification or OASIS Standard.
