25 2 References..... 4
26 2.1 Normative..... 4
27

28 **1 Errata**

29 **1.1 Addition to status**

30 The “status” section of the specification should have the following paragraph appended at the
31 end:

32 This specification makes direct and indirect normative references to evolving specifications in
33 OASIS and W3C. The WSDM TC intends to move to referencing the standard specifications as
34 they become available.

35 **2 References**

36 **2.1 Normative**
